### **ALLOWABILITY NOTICE**

This office action is responsive to application 10/674,974 filed 9/30/2003.

Claims 1, 3, 5-8, 10, 13-17, 20, 22, 24-27, 29, and 32-36 (now renumbered 1-24) have been allowed over the prior art of record. All objections and rejections are withdrawn.

### ***Claim Remarks - 35 USC § 101***

The claimed "one or more computer-readable tangible storage devices" recited in parent claims 20, 29 as well as their respective depending claims are found to purport to statutory subject matter in light of Fig. 2.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rudolf O. Siegesmund (37,720) on 6/2/2011.

The application has been amended as follows:

Please cancel claim 37 as the subject matter therein has been incorporated into parent claim 29.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

The application is allowable for the reasons set forth on pages 15-17 and 22-23 of the decision of the Court of Appeals for the Federal Circuit, which is hereby incorporated by reference. As noted therein, and as argued on page 14 (argument e.) and page 15 (argument i.) of Appellant's brief, the claimed invention requires deleting the hashtable and saving the database as a new hashtable in independent claims 1 and 20 as well as notifying a registered party of an update in the XML Schema in independent claims 10 and 29. The prior art of record accordingly does not appear to expressly or impliedly suggest the above features as they are recited among the claimed elements. The depending claims have been allowed for similar reasons pertaining to their respective allowed parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**Contact Information**
